

I am writing to comment to you concerning the radio station K-LOVE. This station has had a tremendous impact on my life and the lives of those in my family. It provides a constant source of non-offensive, uplifting music that helps me every day. I do not want other programming taking over this station. I feel this type of broadcasting for the public is necessary for a balanced community. The positive influence of K-LOVE has helped people all over this area. I've heard testimonies of people who were drowning in despair listen to a song on K-LOVE that puts their problems in perspective and imparts hope in their hearts. Listening to the radio is free. Everyone can have free hope by listening to K-LOVE. Please do not take that away.
